

WHITE LAITH PRIMARY SCHOOL

LETTINGS AND LETTINGS CHARGES POLICY

Agreed by Governors November 2023

To be reviewed by Governors November 2026

At White Laith we are committed to providing a caring, friendly and safe environment for all of our pupils so they can learn in a relaxed and secure atmosphere. We believe every pupil should be able to participate in all school activities in an enjoyable and safe environment and be protected from harm. This is the responsibility of every adult employed by or invited to deliver services at White Laith. We recognise our responsibility to safeguard and promote the welfare of all our pupils by protecting them from physical, sexual or emotional abuse, neglect and bullying.

We also exercise this responsibility by educating our children so that they grow in their understanding of their rights and responsibilities to themselves and others, in safety consciousness, and, in their maturity and abilities to keep themselves and others safe.

We perceive this to be part of our role in promoting British values

1. Adoption

The school governors at their meeting on **10th November 2020** have adopted this lettings policy and the scale of charges set out below

2. Policy Objectives

The governors endorse the City Council's Hire of School Premises Policy and recognise the principles therein, namely:-

- (i) that school premises represent a significant capital investment and should be utilised as a valuable community resource;
- (ii) educational usage of our premises constitute a natural priority;
- (iii) that a profit margin is desirable when derived from commercial usage but this is not the overriding objective when facilitating education activity and community activity by recommended users.

3. Priority Usage

The governors have agreed the following categories of priority user :-

- (i) statutory users; (See Appendix 2)
- (ii) recommended users;
- (iii) private / commercial users.

The governors have adhered in each case to the definitions identified in the City Council's Hire of School Premises Policy document (appendix 1).

4. Applications for Recommended Status

The governing body have reserved the right to determine that in addition to any organisation already identified by the City Council, those organisations listed in section 5 may have recommended status at ABC Primary School. The governors will review this list each year in for the purpose of deciding whether recommended status is still appropriate. At other times of the year applications for recommended status will be dealt with by the governing body on 'an as and when' basis.

5. Categories of Recommended and Commercial

The governors have decided that for the purpose of charging there will be 3 categories of recommended user and there will be 1 category of private user. The table below provide definitions of these user groups

Table 1. Allocation of Users of School Premises into Categories

Group A	Group B	Group C	Group D
Commercial users to be charged at school economic rates – see appendix 2	Recommended users determined by the City Council that are to be charged at the recommended hire charges – see appendix 2.	Recommended or commercial users that are to be charged a discount on the recommended rates – see appendix 2.	Users that the school deem should have free usage of premises
All users not meeting definition in Appendix 1 (commercial hirers)	All users covered by Appendix 1, not identified in Group C or D	Voluntary Youth Groups and under 18 Sports clubs, as per Appendix 1.	Users covered by Appendix 1 determined by Governors to be supporting the School curriculum

6. Scale of Charges

In arriving at their scale of charges the governors have followed the following principles:-

- (i) that statutory users will be charged an amount commensurate with statutory regulations;
- (ii) that recommended users will be charged no more than the set scale of recommended charges identified by LCC School Lettings Service;
- (iii) consideration has been given to subsidies being applied to some recommended users;
- (iv) that commercial users should be charged at least cost, plus an income margin for the school if desired;

For the purposes of charging, the Governors will determine to which charging group any individual or organisation belongs. Any organisation already identified by the City Council as having recommended status cannot be charged more than the recommended hire charges determined by the City Council (group B). The basis of charging will be determined by the type of organisation hiring the premises, the purpose for which the letting is arranged and the period of time when the letting taken place – as detailed in Appendix 1.

The scale of charges relating to the stated categories of users are detailed in table 2. below. Discounts form part of the scale of charges in table 2 and are the only permitted variations to the standard charges. No member of staff is allowed to vary or to deviate from the governors published charging policy. The governors are constrained by law to apply value added tax to all transactions where this is appropriate. The Governing Body has the power to use available funding to provide a further subsidy where a particular group is determined by the Governing Body to be making a significant contribution to its extended services provision.

7. Conditions of Hire

The Governors endorse the City Council's Hire of School Premises Policy and agree to follow the terms and conditions laid out in the document supplied to the school. No member of staff is allowed to vary the terms and conditions on which the school premises are hired to either individuals or organisations. The governors reserve the right to impose additional hire conditions where necessary and will inform LCC School Lettings Service in writing where these apply, who will ensure any additional conditions are detailed on the hire agreement.

8. Administration of Lettings

The governors recognise that it would be impossible for them to personally vet every applicant or organisation who wish to make use of the school premises. Accordingly they have delegated the authority to LCC School Lettings Unit to receive applications on their

behalf, who will then consult with Beverley Clay as Headteacher to accept /decline applications for hire of the premises.

All hiring of the schools premises, including those for which no charge is made, shall be properly documented. All hirers **must** complete a letting via the LCC School Lettings Service Lettings Unit before hire of the premises commences. All hirers having completed a letting receive a copy of the conditions of hire and will hold a legal hire agreement. The hire agreement is a contract which the governors may enforce at law.

9. Security / Safeguarding

The governors are mindful of their responsibility to protect the City Council's assets and safeguard young persons and vulnerable adults using school premises. With regard to security of assets governors would normally insist upon continuous caretaking presence in view of leaving the school vulnerable to theft or damage. However they reserve the right and delegate power to the headteacher to make variations where in her judgement continuous caretaking presence is not justified. With regard to safeguarding, governors agree to procedures included in the conditions of hire document.

10. Review of Policy

The governors will review the policy each year and the scale of hire charges for the forthcoming year will also be reviewed and updated

Appendix 2

Definition of Terms

Recommended Community Lettings: These are lettings that fall within the City Council Policy for favourable charging treatment in their use of schools. The Leeds City Council Policy is set out at appendix 1 of this document.

Commercial or Private Lettings: These comprise all lettings other than those falling under the category of Recommended Community Lettings. It is expected that these lettings should be charged at full cost to the hirer. Schools may however consider that, although a group or individual falls outside of the categories set out at section 6, it is desirable to ensure that access is affordable for particular individuals or groups and charge less than economic cost.

Charging Policy: Regard must be paid to the legal principles concerning charging for community facilities. Schools should set out in a governor approved Charging Policy what rates they wish to charge hirers of school facilities. In the case of both Recommended and Commercial Lettings schools should operate within the general principle that the use of school facilities by outside bodies should not be at the expense of school activities.

Statutory Users: These users have their right to use a school backed by specific legislation. No rental may be charged by schools but schools can charge expenses in accordance with legislation as follows.

Use for Elections (Polling Stations) – expenses are met by LCC

(The returning officer shall make good any damage done to, and defray any expense incurred by the persons having control over any such room as mentioned above by reason of its being used for the purpose of taking the poll.)

Use by candidates for public meetings during elections – expenses are met by candidates.

(shall defray any expenses incurred in preparing, warming, lighting and cleaning the room and providing attendance for the meeting and restoring the room to its usual condition after the meeting; and shall defray any damage done to the room or the premises in which it is situated, or to the furniture, fittings or apparatus in the room or premises.)

Use for meetings of Parish and Community Councils, meetings convened by them, or for the administration of public funds on behalf of them – expenses are met by the body concerned.

(If, by reason of the use of a room any expense is incurred by persons having control of the room, or any damage is done to the room or the building of which it is part or to its appurtenances, or to the furniture of the room or any teaching aids, the expense or the cost of making good the damage shall be defrayed as an expense of the parish or community council or parish or community meeting.)

Use for public meetings to discuss any question relating to allotments under the 1908 Smallholding and Allotments Act – expenses are met by the person(s) calling the meeting.

(any damage done to the room and any expense incurred by the person having control over the room on account of its being so used shall be paid by the persons calling the meeting.)
