

Danube Summer Term 2017 Visits and Visitors

As part of this half term's theme 'Why are rainforests so important?' we have arranged a visit to Tropical World. As part of our visit experts will speak to the children about the rainforest and local woodland and rainforest animals.

Cost of the Visit

The school believes wholeheartedly in the value of these experiences, and subsidises the cost of all visits as much as possible in an attempt to ensure that these opportunities are accessible and affordable to all. However, the school seldom has the financial resources to pay the full costs. Consequently, a voluntary contribution is requested from parents/guardians to make up the shortfall. This contribution is genuinely voluntary, and neither you nor your child will be treated differently if you are unable or choose not to contribute.

However, please note that without all such voluntary contributions, this visit may have to be cancelled, as the school is not in a position to provide further financial support. Please regard this as an important investment in your child's education.

Total cost per pupil	£7.20
School contribution (per pupil) (towards cost of transport, instruction, entrance fees, and activities)	£2.15
Payment requested from parents/guardians	£5.05
If your child would like a gift bag, please also include	£1.45

I do hope that these visits are able to proceed, but please contact me as soon as possible if you have any queries or concerns, or if you feel unable or unwilling to make the above payments. Letters with further details about each individual trip will be sent out nearer to the date of the trip.

Many thanks.

Miss Adamson

Danube Trip to Tropical World Information

On Wednesday 4th October we will be going to Tropical World in Roundhay.

Our visit will include taking part in an exciting workshop with the zoo education officer. The workshop will compare local woodland with tropical rainforests. After this workshop we will have a quick lunch and then go into tropical world to explore the different plants, think carefully about what they need to grow well and think how they continue their life cycle.

DATE:	04/10/17
Leave school promptly at	9.05 AM
Return around (We will text if we are running late.)	3.00 PM
YOUR CHILD WILL NEED:	
Clothes	School uniform tops Joggers/leggings/tracksuit bottoms Waterproof coat Trainers We will be outside and inside so children will need a light waterproof jacket.
Food	Packed lunch and drink in a named plastic bag (Please provide food that can be eaten easily in picnic fashion and does not need a table. After lunch all rubbish will be thrown away, so do not send any bottles, spoons, tubs etc that need returning.)

If you have any questions, please ask.

Many thanks.
