WHITBY TRIP FRIDAY 13TH JULY 2017

Dear parents/carers,

It is nearly time for our Whitby trip. The children have done some fundraising throughout the year and have raised some money towards the trip. We will be doing a few more fundraisers to try and reach our target. I will keep you informed about how much we make. If we do not make enough, we will be asking for a contribution. Please keep an eye out for another letter with pricing details. On the day, we will be having fish and chips for lunch, an ice-cream, playing games on the beach, walking up to the abbey, paddling in the sea, visiting the Dracula Experience and the arcades and having a look in the shops- a fun-filled day awaits!

In order for your child to come, they need to keep working hard and behaving well. The children and I have designed a chart where I will record their behaviour from Monday 21st May until the trip. After SATs, the children are often on 'countdown' to high school which can affect their behaviour; this chart is designed to prevent any behaviour slips. Each day, the children will receive a tick on the chart if they have tried their best and are well behaved. From Monday 21st May, there are 34 days until our trip. If your child receives any red cards or playtime bans they will get a cross on the chart for that day. If your child gets more than 4 crosses on the chart, they will unfortunately not be allowed to come with us to Whitby. The children and I have agreed on this number together after a class discussion and they have all agreed that 4 is a fair amount. I hope that I can rely on your support.

Trip details:

We will be leaving school at **8.15 am**. Children need to arrive at school from **8:00am** onwards, entering through the front office and taking their belongings straight to their classrooms.

We will be leaving Whitby at 3.45pm and should arrive back at school at **5.30pm.** If we are running late we will text you to let you know.

Children can wear their own clothes but need to be prepared for any weather! We will be walking a long way so comfortable flat shoes and socks are essential. They need to bring with them:

- A rucksack or large comfortable bag for their belongings
- A waterproof coat if rain is forecast; sun cream, hat and sunglasses if sunny (fingers crossed!)
- A drink (no cans or fizzy drinks please)
- Spare socks, trousers and a small towel (just in case we get a bit wet when paddling!)
- Camera if they wish but it is their responsibility!

Please DO NOT bring mobile phones or other electronic items.

Many thanks,

Miss Brown

Stephen Lawrence

I give permission forto come on the Whitby trip and I understand and agree the information about the Whitby behaviour chart.

Signed.....
